Prices

Current class, term, membership, event and programme prices are shown when booking or communicated directly to families. This website guide intentionally does not hard-code prices so that the current booking information remains the definitive source.

Bookings

Places are subject to availability and the booking conditions shown for the relevant class, term or event. Please make sure your contact and payment information is accurate.

Payments

Payments are processed using the payment arrangements offered by the club. Any payment deadlines, instalment arrangements or outstanding balances should be dealt with according to the booking information provided.

Missed Sessions & Cancellations

Please refer to the terms attached to the relevant booking for missed classes, cancellations, refunds or credits. Different arrangements may apply to regular classes, events, camps and parties.

Membership

Where annual club membership is required, the current fee and renewal arrangements will be communicated to members.
